

Contract with GiT Consult

10. 8. 2004 - GiT Consult is specialised in consultancy and recruitment in IT. GiT Consult has chosen Trinso as the supplier for its next generation recruitment system GiTRiX.

Trinso's offer closely matched client's requirements on reliability, good operational support, quality and openness of solution. GiT Consult will take advantage of full range of services provided by Trinso including project management and outsourcing.

Solution will encompass advanced CRM system, HR database and recruitment processes. Sophisticated components for automatic monitoring of communication and advanced search engine will boost the performance of the internal processes and will enable GiT Consult to scale up with growing demand of Czech market.

On 17. 6. 2004 Trinso aquired company Ardex.net, enabling to provide customers with leading web design services.
